

Pastor's Report

December 2024

Wow! What a month! We have been a busy, busy church! I thank God for each and every one that contributed to the many ministries that were active in December. You are a blessing beyond measure and you make me the envy of my clergy peers throughout the denomination.

Our Seeds and Foundations of Faith Ministries flourished this month. There were weekly lessons prepared by wonderful leaders for our kids. We enjoyed a Holiday Pajama Party with lots of fun, food, and laughter. It is important that the kids have opportunities to interact with their leaders in social settings. It builds relationships and fosters community. Thank you Alicia Turner, Kay Hedgepeth, Troy Venable, Hayse Brock, JJ and Lynda Warren, and Amber Waters.

Our Hospitality Ministry hosted our Annual Cookie Exchange with special guests Santa and Mrs. Claus posing for pictures with everyone. Thanks to Melissa Boesen, Jim Buford and Alicia Turner for services rendered. Wink! Wink!

Our Worship Arts Ministry once again decorated our sanctuary beautifully for the Season of Advent and Christmas. Thank you Tony Tatum and crew!

But the biggest and best thing about the month was the renovations of our driveway, brick façade, and handicapped ramps! Thank you Paul Diaz!

Needless to say, I was fairly exhausted by the end of the month but, as they say, it was a good tired.
